

Schuberth Visors

The Visor model in most cases is stamped on the right hand side of the visor. (Looking at the helmet front on)

Except the SV4 visor, they are dependent on the helmet size.

If the stamp was SV5/S you would select part # SCH-4990004700, size 53-59, for a customer requiring a clear visor.

E1

Clear: SCH-4990002501 size 50-59

SCH-4990002503 size 61-65

Dark: SCH-4990002510 size 50-59

SCH-4990002511 size 61-65

Peak: SCH-4990002540 size 50-59 Matt Black

SCH-4990002541 size 60 + Matt Black

R2 [SV4]

Clear: SCH-4990004550 all sizes

Dark: SCH-4990004554 all sizes
